WE CAN BRING  
STEM TO EVERY  
STUDENT

**50%** of eighth graders think science is irrelevant

Without access to quality STEM education, it's impossible to build a diverse, STEM-fluent talent pipeline.

YOUR SUPPORT CHANGES STUDENTS' LIVES  
WITH **20+ HANDS-ON STEM PROGRAMS**  
SPANNING PREK THROUGH UNIVERSITY.

After just one AWIM experience:

**98%** teachers report increased excitement about STEM

**91%** teachers report improved academic performance in STEM

**91%** teachers report improved 21st-century workforce skills

Your support provides STEM to students around the globe—inspiring students to pursue advanced STEM studies and careers.

**100K**  
young learners

**8K**  
university students
